

EBSCOhost Premier Collection: Finding Magazine, Journal, and Newspaper Articles

EBSCOhost is like a Subway sandwich. You have a choice of different databases within EBSCOhost to choose from. OR if you are searching for academic articles by nurses, you could select CINAHL Plus and use the Advanced Search.

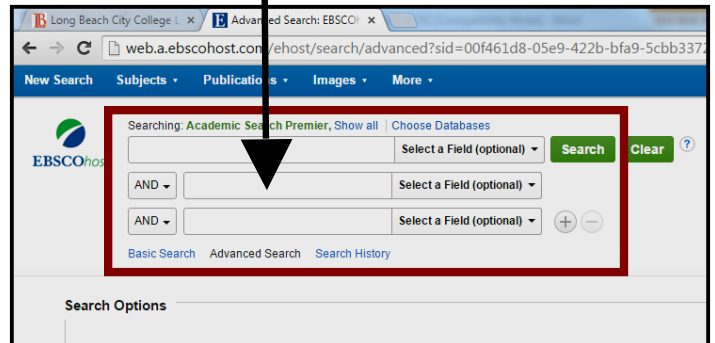

- A** Click on “Articles Databases eBooks.” in order to find articles and topics for your research paper.
- Then click “Multiple Database Search.”
 - Click on “EBSCOhost Premier Collection.”

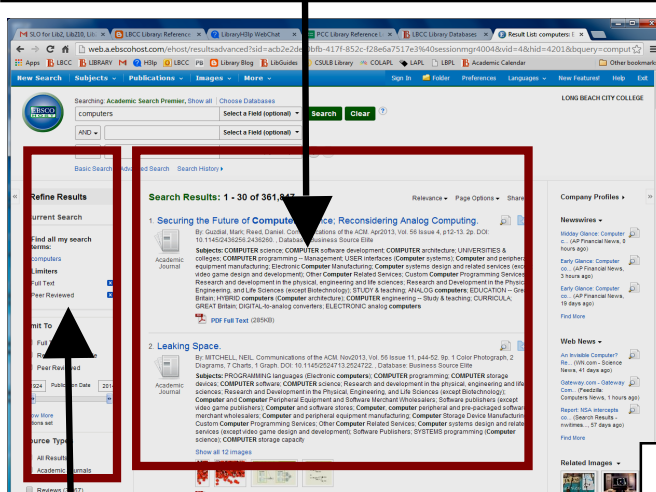

- Click on the “Select/Deselect All” box.
- Then click **Continue**.

- B** Type the words or names that you want to find articles about into this box.
- Narrow your search by adding words into the second and third boxes.
 - Then click **Search**.

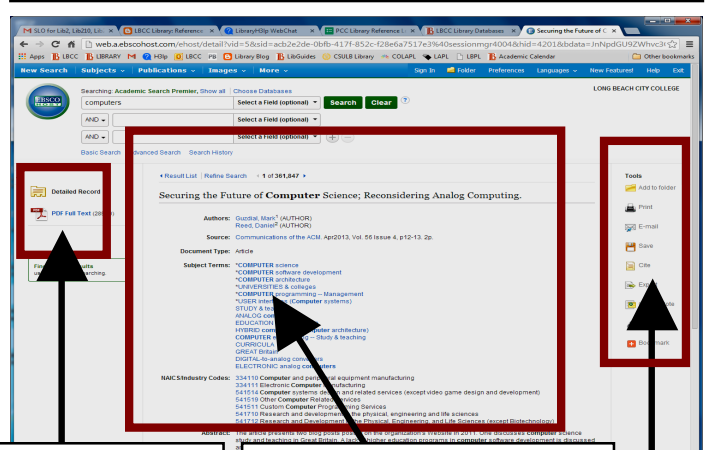

- C** These magazine and newspaper articles should be what you are looking for.
- Click on an article's title to read the entire article.

Under **Refine Results**, you could just look for journal, magazine or newspaper articles!

- D** If you click the title of the article, you will find the entire article right here! You may narrow your search by adding words to the search boxes.

HTML Full Text:
Like on a website.

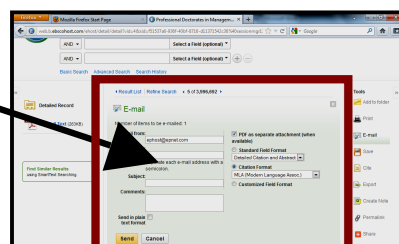

PDF Full Text:
An exact copy of the article as it appeared in print.

Title of the Article, the Author(s) of the article, and more!
