Here are the **chapters** and sections of the book with their page numbers.

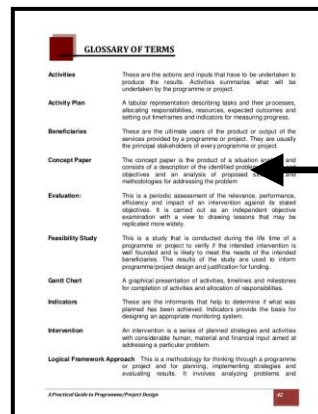

Copyright Page

The Book's Publication or Copyright Date, etc.

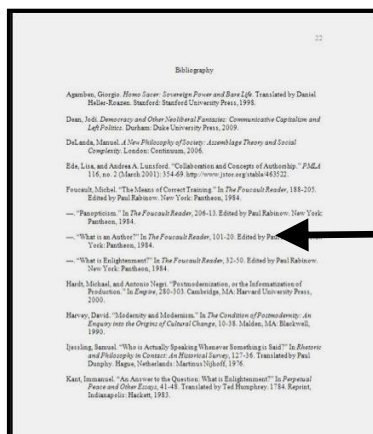

The Book's ISBN.

Glossary

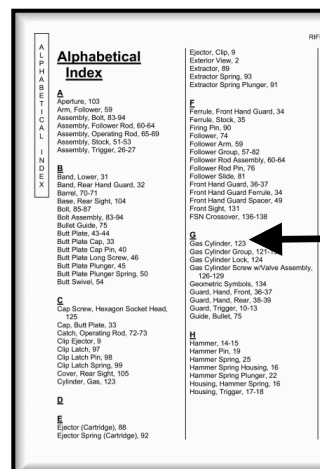

Many books will have words or terminology that you may not know about so the **Glossary** will include definitions of those words.

Bibliography

The author(s) probably used sources (other books, articles, websites, etc.) other than their own. Here is their "Works Cited" page(s).

Index (At the back of the book)

At the back of the book is the Index. Here are important words or names that were used in this book along with the page numbers of where they appear.
