Going to the Long Beach City College Library Website

Type [http://www.lbcc.edu](http://www.lbcc.edu) into the top window on your computer.

Your computer will take you to the Long Beach City College website.
- Find “Library” in the left column & click it.

This is the Long Beach City College Library website. Your home for finding books and magazine articles!

Finding the Library Videos on the LBCC Library YouTube Channel

The Long Beach City College Library now has videos on how to use your library! Just follow these instructions to see them online!

From the LBCC homepage at [www.lbcc.edu](http://www.lbcc.edu), click on “Library” in the grey column.

This is the Long Beach City College Library homepage.
- Click on Video Tutorials in the middle of the page.

Here are the YouTube videos created to show you how to use the LBCC Library catalog, find magazine and journal articles, and other information! This site is regularly updated with new videos. They are in English and Spanish.
